

How to Earn \$5000 a Week Within 6 Weeks!

The Blueprint!

12th Power Realities – American Payday Services – White Fields Ministries

Copyright 2016 by Greg Nichols

Four Principles Used Here!

- 1) **The Contact**
- 2) **Leverage**
- 3) **Feeder**
- 4) **Explosive Residual Factor**

For the 6 weeks, you will make money. This is not waiting 6 weeks to make money, this is making more and more every week until at the end of the 6th week, you will have made \$5000 for that one week. But attitude will be everything. We are not making any guarantees here, because human nature is unpredictable, and people can be very negative. We are appealing to positive people, or negative people who have had enough of negativity and desire to change. Another factor is if you are part-time in marketing due to school or job, then, do the best you can, but it may take longer.

Starting Level: American Payday Services, (APS) Owner/Admin is myself, Greg Nichols, 4 combined products, \$295 purchase, and \$206 commissions at PayPal, or, 3 of the products for \$139.95 and \$90 commissions at PayPal. 1st higher price takes 6 weeks to \$5000 weekly, 2nd lower one for \$139.95 takes 10 weeks. You must purchase the level of product to be marketing at that level. If you are at the \$139.95 level, you can upgrade in a few weeks to \$295.

The 6-week plan is based on buying at or upgrading to \$295 and earning \$206 per sale. We show you how to aggressively market so you can get 3 good leads a day minimum. This should help you resell at least 1 **APS** every 1-2 days. You will not be marketing the **APS** or any firm, you will be marketing the **12th Power Realities \$5000 a Week Concept**, and giving out this blueprint, by email when people call, and everyone is on the same page, which is this page you are reading. These are all logical steps. **The 3 contacts a day is #1 principle above**, having a new person to add to your following list once they act and make a contact of. Your common ground with them is this **\$5000 a Week** project. You will need to do enough promotion to get 15 inquiries of people reading the PDF report. We show you how! This principle is based on

people reading the report and acting on it, ordering a product that you sell. Imagine you had a boss who told you your only job this week is to get 15 people to check out your offer, people who are very like-minded to you. That could be done by you showing it to 3 people a day over 5 days, or 15 per week. You can do that if you set your mind to it.

Week 1: Get 3 leads a day – 15 total for the week, from people and let them read this plan and your 2 links to **APS**. 15 people who inquire should be studying the plan and the product for \$295 or \$139.95 to create 4 sales in the 1st and 2nd week. Each week you delay achieving this adds a week to the 6 weeks. That is why you hit it hard with paid ads the first week. Receiving 5 sales in 15 calls is not unreasonable to expect. (33%)

Week 2. 15 leads (3 daily) from your ads, and sign up 3-5 people in **APS** for \$206 commissions each. (\$824)

Week 3. 15 leads, and sign up 4 people again for \$206 each, (\$824) now you have \$1648. **Your \$206 sales are the leverage in principle #2 above to take you to a higher purchase.**

A powerful work ethic is forming in you!

Week 4. 15 leads, and join **Monthly 1Up. (M1Up)** for \$1500 with leverage of earnings. **M1Up** pays \$900 annual commissions on \$1500 sales. Not only does the \$900 commission repeat each year, this is also a 1Up residual plan. Invite your previous 12 buyers of the 1st 3 weeks into **M1Up** at \$1500 annual fee. Pass up your first sale. Earn 2 others for \$1800. Keep pace on **APS** and 15 leads a week, resulting in 3-5 sales every week. **APS becomes your less expensive principle #3 feeder above** starting as low as \$139.95, but ideally the \$295 level should be encouraged for your prospects. By week 6, 30 people will follow you in upgrades and 1Ups.

Week 5. Rinse and repeat. 15 leads, locate 3 a day who buy from **YOU**. Sell 4-5 **APS** weekly at \$206. (\$1030 weekly) Invite them all into ABM for \$1500. 16 people from the 1st 4 weeks are all following you in this step plan. 3 join in **M1Up** and earn you 3x \$900 = \$2700. Also, a 1Up kicks in at \$900 in your favor. 4 x \$900 = \$3600 plus \$1030 = \$4630 for this week. **The 1Up kicking in now becomes your explosive residual factor in #4 principle above.**

Week 6. 15 leads, sell 5 people at \$206 commissions. 2 people follow you into **M1Up** at \$900, plus 3 1Ups kick in at \$900 each to you. 5 x \$900 = \$4500 plus \$1030 = **\$5530 for the week**, week number 6.

Now, in each following week, the 1Ups to you increase while the up-front work on your part can decrease, and you making all those up front \$206 sales can go down to 2 a week, while 1Ups on the back end of \$900 to you can increase by 1-2 more weekly. Imagine by week 15 that your 30 followers are all following this plan to get to \$5000 and they are creating enormously explosive 1Up business for you to infinity on each referred leg, resulting in hundreds of \$900 payments.

You busted your behind for 6 weeks, like a person in boot camp in the Marines. Look what you now have, a growing 1Up, real product income for no less than \$5000 weekly.

We at **APS** have in your products the “how to” road map you will need to get the 15 leads weekly and the 33% or 5 people who will respond. You will need to spend at least 15-20% of your income on traffic, but remember, this can taper off once you get a frontline causing 1Ups for you. The people under you have this blueprint which will make them a great 1Up bringer to you. 2 firms were used in this process, our feeder **American Payday Services** (International) and **M1Up**. (USA only) Outside the USA prospects may need a substitute firm we can recommend. Once you join us, we send you our marketing blueprint which is your guide to get 15 hot leads of Internet marketers a week from ads. We follow what I call “**The Water Wheel System.**”

We have given you this road map. You don’t have to do this one, but many will, and earn huge money. Because this is leveraged in nature, no one is risking much money and everyone is getting real and tangible products that you can be proud of. All invested money will be earned back quickly, and no one loses. Everyone is using earned money to grow this and expand it.

Now that you have read this blueprint, you are in **week #1**, so see the 2-feeder links for **APS** from your referrer and buy the biggest APS product one if you can. Once in there, set up your **JV Zoo** links, there is a video that shows you how. We then will have a PDF inside there called “**The Water Wheel**” to show you how to market this **12th Power Reality project**. Prepare to do some paid marketing, and plan for that. We will show you how to take an advertising budget from your PayPal earnings to succeed. There may not be another “*alignment of the planets*” so to speak, like this in your marketing career where two firms and a hot strategy are being used in tandem like a symphony. Take advantage of it. Be bold. The timid never get ahead. “***When the pupil is ready, the teacher will appear.***”

God bless,
Greg Nichols

If need be, return to Greg’s 12th Power Blog Offer and Video

(We have a generic blog made by Greg that you may use for referring!)

(We also have ads written for you to use!)

What Are the Feeder Products?

American Payday Services, APS, an International project where people are paid at PayPal, has 4 products, and the larger two of them are being used for this **12th Power Strategy**. The \$139.95 product shows people how to locate, secure and flip real estate even with no credit or cash. It can be a quick cash generator. The one-time \$139.95 obtains a lifetime of knowledge and experience, and, admin keeps adding to the product and expanding it.

The \$295 one-time cost and product includes for free the \$139.95 real estate product above, and this product for only \$295 mentors in a profession of being a professional funder. Greg Nichols, the owner does this for a living, and is the owner of **MFN Network**, where he funds inventions, businesses, movies and television and hi tech projects with venture capital or angel investor funding. Greg Also funds structured settlements, and the purchasers of the one-time \$295 cost not only can resell it for 70% commissions, paid at **PayPal**, they can also refer about 20 different kinds of product/service scenarios to Greg for

funding from customers and get 50% of the funding commissions. This could possibly be a few hundred thousand dollars at times. This is a long term vocational or professional training and association.

Lastly, there is a \$59 and a \$25 product too, and those are included in both the above purchases as a bonus. The \$59 product is about obtaining silver and gold and other precious metals, and how to buy it from firms, and how to very cheaply find precious metals in the public and pay very cheaply for them, collecting scrap metals and having them melted into bars. The \$25 product is simply an overview of the other 3 products. Every lower product comes in the higher ones. These products can be sold separately or together. We are recommending only the \$139.95 and the \$295 to get to the \$5000 a week. The math works best at the \$295. All products have a 5-day money back guarantee. **In a nutshell, for \$295, you can buy 4 products, learn 3 ways to earn money vocationally in your life both online and online, and resell the products for \$206 and \$90 commissions while working your way to \$5000 a week in 6 weeks.**

The larger **1Up project** is a several year-old firm where one can join by paying annually for \$1500. There is a monthly way to join, but that will not create the dynamic for \$5000 weekly within 6 weeks. You are paid \$900 per annual sale after passing 1 up to your referrer. Your first two commissions of \$900 puts you in profit. The products for \$1500 are a year's worth of postcards and labels of home based business marketers, or, targeted leads for networking. Our 12th Power project will also have its own postcards to send to these leads also, offering them this strategy.
